|  | <h2>Lucky Bay Building Policy</h2> | Version No: | 1.1 |
| | | Issued: | October 2015 |
| | | Next Review: | July 2019 |

It be policy that development applications for any building work involving the replacement or reconstruction of roof frames and or wall frames of any existing structure at Lucky Bay must be accompanied by a report from a certified and qualified Building Assessor stating that the existing building structure is able to handle the proposed building/demolition without the need for any alterations to the existing structure.
